

# See You Later!

## WE'RE LEAVING BUT NOT GONE

We closed our retail café in Mt Pleasant in May 2019, and our downtown Hastings Café in February 2022. It has been an amazing twelve-year journey of learning, crafting, failing, and rebuilding. Thank you for the opportunity!

It was not an easy decision, but a necessary one. Despite the outstanding efforts from our amazing staff and support from the community, we made the decision to refocus in other areas of our business where we are better suited. We hope that you understand our decision.

Thank you for making our time here memorable, we hope it was for you too! We may have left the retail café business but we will continue to maintain a strong presence in Office Catering, Restaurant Wholesale, as well as Grocery stores across the lower mainland. Look out for our offerings under the Uprising Breads and Bonchaz Bakery brands. We're leaving but not gone!

We are grateful for your support. See you again soon!
